SATURDAY - July 16, 2015

10:00 a.m. Explore Indian ruins at Honanki

Open from 9:30 a.m. to 3 p.m. seven days a week.

To Honanki Heritage Site From Sedona: Take Hwy. 89A through West Sedona and continue past the last traffic light for five miles. Just past mile marker 365, turn right onto Forest Road 525. Follow Forest Road 525 for 9.5 miles. Just past the cattle guard at Loy Canyon trailhead you will bear to the left to go around some private property.

Alternatively, those with high-clearance vehicles and/or a sense of adventure can turn right on Dry Creek Road off 89A and follow the signs for Enchantment Resort/Loy Butte. At the road to the Enchantment Resort, turn left onto Boynton Pass Road (FR 152C), and follow the signs for Loy Butte/Palatki (FR 525 to FR 795, pass FR 795 and continue up 525 2.5 miles to Honanki). This road is generally passable to passenger cars when dry, but it is not regularly maintained by the County and has some rough and rocky stretches. The compensation for abusing your motor vehicle are wonderful views of the red rock formations that Sedona is so famous for.

p.m. Swimming - Grasshopper Point

Nestled in the base of Oak Creek Canyon is a large cliff side swimming hole known as Grasshopper Point. This day use site is popular with swimmers and picnickers alike. The swimming hole is shaded and cool, a good respite from the summer heat. There are three popular trails accessible from the Grasshopper Point parking lot; Allen's Bend goes north and connects with Casner Canyon Trail; it also goes south and connects with Huckaby Trail.

Attractions: Picnicking, Waterplay, Hiking, Fishing, Wildlife watching, Photography

Facilities: Accessible picnic tables, vault toilets.

Notes:

No camping or campfires are permitted.

No drinking water. Please bring your own bulk water.

No pets are permitted.

No glass containers are permitted.

Please practice "[Leave No Trace](#)" ethics and help keep this area pristine.

Caution: Cliff jumping and diving are discouraged for personal safety. The pool has varying depths, hidden rocks and unforeseen objects that could be hazardous.

9 a.m. to dusk.
